Dear [REDACTED]

Thank you for your order! Our prices are not changed. We will send same offer with actual dates later today.

[The expected delivery date and training gate in Brno is November 16, 2017.](#)

If above date is not suitable, other possible dates are: November 17, 23 and 24.

Best regards,

[REDACTED]

Předmět: Order - Arborsonic 3D tomograph

Dear [REDACTED]

our colleague Dr. [REDACTED] have discussed with you an order to 3D tomograph with some channels etc. Your offer is in the attachment. It is one and half year after and now we starting the project, in which we have got funds for your tomograph.

Could you please sent me if your offer and prices are actually the same - we believe that yes, because of project funds were plan for that. We are preparing the contract of sale. Than we sent you the contract and the order to revise it and sign it.

The second thing is how long do you want to deliver here 1x tomograph with 10 channels + Additional 2 channels + 1ArborSonic Digital Caliper 1999mm (Total price 8200 EUR).

We will be glad if you could deliver them here for about 4 weeks as you have written in your offer.

Best regards, [REDACTED]
