Decision and notification of the contracting authority on the cancellation of the public contract „IT MODULE OF THE INTERNATIONAL OFFICE AGENDA“

Contracting authority	Mendelova univerzita v Brně Zemědělská 1665/1, 613 00 Brno ID 62156489 Tax ID CZ62156489
Contract name	IT module of the international office agenda
Type of the contract	Small-scale public procurement

The contracting authority Mendel University in Brno, with its registered office at Zemědělská 1, 613 00 Brno, ID number 62156489, by analogy with the provisions of Section 127 (1) of Act No. 134/2016 Coll., on the award of public contracts (hereinafter the "Act"), decided on the cancellation of the public contract entitled „**IT module of the international office agenda**,“ initiated by sending the Invitation to submit tenders, including the complete tender documentation closed by the invitation on February 15, 2021.

Justification:

The contracting authority cancels the public contract entitled „IT module of the international office agenda,“ by analogy with the provisions of § 127 para. b) of the Act, as in the tender the participation of the selected supplier expired after his exclusion. In particular, this is the reason why the only tenderer who became the selected supplier was excluded for not providing cooperation before the conclusion of the contract (SOP participant Hilmbauer & Mauberger GmbH & Co KG). Therefore, there is no other tender left for the contracting authority to assess.
